FORMER ITALIAN PRESIDENT:  
9-11 Was Planned and Realized by CIA and Mossad with Help of Zionists

On 30 November 2007, Francesco Cossiga, former president of Italy, told the respected Italian newspaper Corriere della Sera that the terrorist attacks of September 11, 2001 were planned and realized by the CIA and Mossad. He is stating the obvious.

I have always said that the intelligence agencies of the leading nations of the world are certainly very well aware that the official version is a fraud. The largest media networks are also aware of the 9-11 hoax, primarily because of their fundamental role in perpetrating this fraud on the public. The people are always the last to know the truth.

President Francesco Cossiga

The following is a translation of what President Cossiga said:

From circles around Palazzo Chigi, nerve centre of direction of Italian intelligence, it is noted that the non-authenticity of the video is testified from the fact that Osama bin Laden in it 'confessed' that Al Qaeda would have been the author of the attack of the 11 September on the Twin Towers in New York, while all of the democratic circles of America and of Europe, in the front lines being those of the Italian centre-left, now know well that the disastrous attack was planned and realized by the American CIA and Mossad with the help of the Zionist world to put under accusation the Arabic Countries and to persuade the Western powers to intervene in Iraq and Afghanistan.

For this, no word of solidarity arrived to Silvio Berlusconi, who has been the author of the brilliant falsification, neither from the Quirinale, nor from Palazzo Chigi, nor from representatives of the centre-left!

Cossiga had expressed his doubts about 9/11, and is quoted in Webster Tarpley's book:

The mastermind of the attack must have been a "sophisticated mind, provided with ample means not only to

recruit fanatic kamikazes, but also highly specialized personnel. I add one thing: it could not be accomplished without infiltrations in the radar and flight security personnel.

The following is Cossiga's comments in the original Italian:

«TRAPPOLA» - «La 'trappola' sarebbe stata montata, secondo la sopra citata catena di stampa, per sollevare una ondata di solidarietà verso Berlusconi, nel momento nel quale si trova in difficoltà anche a causa di un altro scoop della stessa catena giornalistica sugli intrecci tra la Rai e Mediaset», continua il senatore a vita. «Da ambienti vicini a Palazzo Chigi, centro nevralgico di direzione dell'intelligence italiana, si fa notare che la non autenticità del video è testimoniata dal fatto che Osama Bin Laden in esso 'confessa' che Al Qaeda sarebbe stato l'autore dell'attentato dell'11 settembre alle due torri in New York, mentre tutti gli ambienti democratici d'America e d'Europa, con in prima linea quelli del centrosinistra italiano, sanno ormai bene che il disastroso attentato è stato pianificato e realizzato dalla Cia americana e dal Mossad con l'aiuto del mondo sionista per mettere sotto accusa i Paesi arabi e per indurre le potenze occidentali ad intervenire sia in Iraq sia in Afghanistan. Per questo - conclude Cossiga - nessuna parola di solidarietà è giunta a Silvio Berlusconi, che sarebbe l'ideatore della geniale falsificazione, né dal Quirinale, né da Palazzo Chigi né da esponenti del centrosinistra!».
